A map of the study area showing the location of the study site (Sford Stage) relative to the River and the Moss. The River is shown as a blue line, and the Moss is shown as a green area. The study site is marked with a red dot and labeled 'Sford Stage'. The map also shows the 'River' and 'Moss' labels, and a dashed line indicating the 'River' boundary.

A map of the area around Punch Bowl Mountain. The map shows a road network with a red line indicating the location of the quarry. The quarry is located on a road that runs north-south, just south of the intersection with a road running east-west. The quarry is situated on the east side of the north-south road. The map also shows the location of Punch Bowl Mountain and the surrounding area.

A map of the Woronora Heights area. It shows a coastline with several islands. A dashed line indicates a proposed bridge crossing a body of water. The bridge is labeled 'BRIDGE' and 'HILL'. Below the bridge is 'Russell Pond'. The text 'WORONORA HEIGHTS' is visible at the top right.

A map of the South Quarter of the section, showing the location of the section relative to the section line and the section corner.
